IT WAS A YEAR OF MILESTONES AND CHANGE.

2016 OPENED WITH THE RESCUE OF SECOND HELPINGS' 25 MILLIONTH POUND OF FOOD, SAW THE DELIVERY OF THE 10 MILLIONTH MEAL IN JULY AND CLOSED MARKING ONE MILLION MEALS IN A YEAR FOR THE FIRST TIME EVER.

It's a testament to how Second Helpings' impact has continued to grow. Today 85 other not for profit agencies rely on food from Second Helpings to support their programs and provide much-needed nutrition to the people they serve.

At the same time, the Culinary Job Training Program went through a major transformation to make it more accessible to more people. Under the new model 7-week classes now overlap so that a new class begins every month. As a result, the number of program graduates this year will double. And retention rates are rising – as each class starts, they see the class ahead and a glimpse of their own futures. This program does so much more than teaching people to cook—it helps them overcome enormous barriers to transform their lives and their futures.

As hunger and poverty continue to challenge too many of our neighbors, the generosity of our financial donors, food donors and volunteers brings sustenance and hope. Their efforts ensure that children at after-school programs around our city will receive a hot nutritious meal at the end of the day and Second Helpings graduates have the opportunity to rebuild their lives and their careers. Together we are creating better futures for families throughout our community.
